The Governor recommends onetime federal funds in trustee and benefit payments as a result of the COVID Relief Act, signed into law on December 27, 2020. Funding will be used for home delivered meals. The Governor also recommends any unencumbered and unexpended amount be reappropriated into FY 2022, which will be an action in the FY 2022 Original Appropriation.

The amount in this supplemental has changed to \$862,400, per the Notice of Award from the federal partner. These dollars will be used to deliver meals to seniors in their homes, and will be distributed to the six area agencies on aging.
